

TDSNA Meeting

Wed 10/28/2026

(Blue links can be clicked for additional info)

GUEST SPEAKERS

1. Sergeant Jeremy Williams with TPD

Gave 12 month property crime stat update for Terra Del Sol: burglaries (10), larceny (112), criminal damage (46), suspicious activity calls (11), stolen vehicles (11)

To help prevent auto theft, police station offers free steering wheel locks

[Blue Envelope Program](#): for people with autism, anxiety disorder, etc. Folks can place insurance cards and registration in a special blue envelope to be handed to an officer at a traffic stop. The blue envelope flags the officer to be aware of special needs of the driver. Pick them up at police station.

Folks can sign up to receive [TPD Operations East Newsletter](#) to keep up to date on initiatives, programs, and general crime stats. Click the above link, then click LATEST NEWS tab.

Golf Links and Harrison is Eastside substation. Any questions folks have can be directed to Sargent Williams at jeremy.williams@tucsonaz.gov

2. Liana with IdeaTek

IdeaTek is a fiber optic internet provider new to Tucson and partnered with the city through the [Fiber To The Premises Program](#) to bring more options for affordable internet to Tucson citizens

Installing fiber optic cable will require construction in our neighborhood. They hope to start construction in our neighborhood within the next 6 months - 1 year. Communication will go out prior to construction via letters and door hangers.

All fiber cable is installed underground. Some construction will be in alley, some will be under sidewalks. To mitigate disruptions, construction will be done in zones. Each zone will take approximately 1 month to complete.

Plans start at \$55/month and go up. No contracts, no data caps, low income assistance programs available, military and senior discounts available

3. Javier with Environmental Services

Clarified changes to trash pick. Due to safety issues with utility lines being in alleys as well as unmaintained allies, city did alley evaluations and any deemed unsafe moved trash pick up to the curb. If alley was deemed safe, pick up remained in alley. Changes were permanent and made for the safety of drivers.

ALL brush and bulky pick up was moved to the front. If neighbors are still placing bulky items in the alley, it will not be picked up and code enforcement should be contacted at 311 or [online](#).

OTHER NEIGHBORHOOD ANNOUNCEMENTS

- Neighborhood Signs: we are trying to raise money to place neighborhood signs at all of the entrances into Terra Del Sol. Signs are installed two, back to back at each entrance. Total cost is about \$6000. Sample sign below.

- We have a new website: tdsna.com
- [Alamo Wash Greenway](#) Info meeting: November 7, 9am-10:30am, Claire Weeks Park
- Next Wash Clean Up: November 14, 7am-10am, meet at NE corner of Claire Weeks Park
- In February, we're bringing in roll off dumpsters to help in between brush and bulky pick-up (same disposal rules apply as for bulky pick-up, nothing toxic, etc.)
- You can support Palo Verde HS Athletics by purchasing a Surf Thru Express car wash via this [fundraiser link](#)
- DAC Meeting Update: Division Advisory Committee (DAC) is a quarterly meeting held by TPD to give businesses and neighborhood leaders a chance to meet with police staff to discuss initiatives, public safety, and neighborhood concerns.

Highlights from the last meeting: TPD is looking for volunteers, fire department understaffed by about 100 people, discussed [police use of technology](#) such as flock cameras and drones.
